

# WHO WE WORK WITH

## Domestic Violence After Hours Service (DVAHS)

### Formal Relationships

DVAHS has two primary referral pathways that form formal relationships. These services can provide Temporary Accommodation and transport to the Accommodation:

- Domestic Violence Line
- Link2Home

### Informal Relationships

DVAHS has a range of informal relationships with organisations whose work intersects with women with or without accompanying children who are experiencing Domestic and Family Violence. These include:

- Temporary Accommodation Providers: Providential Homes in Blackett, Rooty Hill, Doonside, Granville; Liberty Plains Motel Lidcombe; Voyager Minchinbury; Parramatta City Motel
- Housing NSW: Blacktown; Mount Druitt; Parramatta
- Centrelink: Parramatta; Merrylands; Blacktown; Mount Druitt
- Immigrant Women's Speakout
- Indian Sub Con Crisis Support Agency
- Hospital Emergency Departments: Auburn; Blacktown
- Outer Western Domestic Violence Network
- Blacktown Domestic Violence Forum
- FACS (Child Protection) – Auburn/Parramatta
- Western Sydney Family Referral.

These partnerships aim to support women and their children on their journey from experiencing Domestic and Family Violence to a greater sense of wellbeing.

DVAHS is currently working on building stronger relationships with other organisations and community supports.
